*Northeast Florida Regional Council*

**2010-06**

## **Supporting the Designation of the month of April as Water Conservation Month**

**WHEREAS**, water is a basic and essential need of every living creature; and

**WHEREAS**, the Northeast Florida Regional Council is working together with the State of Florida, the St. Johns River Water Management District, local governments and water supply utilities to increase awareness about the importance of water conservation; and

**WHEREAS**, April is typically a dry month when water demands increase; and

**WHEREAS**, the Northeast Florida Regional Council encourages and supports water conservation through its Strategic Regional Policy Plan, and in the operation of its activities and facilities; and

**WHEREAS**, every business, industry, school, resident and visitor can help by conserving water and thus promote a healthy economy and community.

***NOW, THEREFORE, BE IT RESOLVED*** that the Northeast Florida Regional Council supports the designation of April 2010 as Water Conservation Month and encourages Northeast Florida residents, visitors and businesses to help protect our precious water resources by practicing water conservation measures and becoming more aware of the need to conserve water.

*Unanimously adopted by the Northeast Florida Regional Council in a regular meeting assembled in the City of Jacksonville, the first day of April, 2010.*
