

Resolution

Northeast Florida Regional Council

2010-16

Supporting

SIS Designation of Cecil Field Spaceport

WHEREAS, the Northeast Florida Regional Council supports the Jacksonville Aviation Authority's development of the Cecil Field Spaceport; and

WHEREAS, Cecil Field was issued Launch Site Operation License LSO 09-012 January 11, 2010 officially designating Cecil Field as a Spaceport; and

WHEREAS, as a result of issuing the Launch Site Operators License, Cecil Field Spaceport is eligible for designation as a component of the Strategic Intermodal System (SIS); and

WHEREAS, the Jacksonville Aviation Authority has requested the Florida Department of Transportation designate Cecil Field Spaceport an SIS facility; and

WHEREAS, Cecil Commerce Parkway, New World Avenue and Crossover Street are expected to be the primary access to the Cecil Field Spaceport;

NOW, THEREFORE, BE IT RESOLVED that the policy body of the Northeast Florida Regional Council supports the SIS designation for the Cecil Field Spaceport, and recommends that the Cecil Commerce Parkway, New World Avenue and Crossover Street from I-10 to the Spaceport entrance be designated as SIS Connectors.

Unanimously adopted by the Northeast Florida Regional Council in a regular meeting assembled in the City of Jacksonville, the second day of December 2010.
